# Quick uaker Oats

Cooks to perfection in 3 to 5 minutes

## Ready at 7:05 Before the eggs or coffee

Now our experts have perfected a Quick Quaker Oats—the quickest-cooking oats in the world. Your grocer now has it as well as the regular.

Quick Quaker cooks in 3 to 5 minutes. The cooking is perfect—experts certify to that.

## The same exquisite flavor

The fame of Quaker Oats is due to super-flavor. We flake the queen grains only—just the rich, plump, flavory oats. We get but ten pounds from a bushel.

ten pounds from a bushel.

All the world over Quaker Oats dominates, because people love that flavor. And Quaker will always have it.

Quick Quaker is made from the same queen oats. The flavor is identical. But we cut the grains before flaking. Then we roll them thin and partly cook.

So the flakes are smaller and thinner—that is all. And those small, thin flakes cook quickly.

Now you have a double reason for selecting Quaker Oats. You get that exquisite flavor. And you get, if you wish, flakes that cook almost instantly. In either respect, there is no other oat dish in existence that compares.

Regular Quaker Oats Come in package at left—the style you have always known.

Quick Quaker Oats

Come in package at right, with the "Quick" label. Your grocer has both. Be sure to get the style you want.

## Dodge Brothers MOTOR CAR

The evenness of performance so often remarked in Dodge Brothers Motor Cars is due, in no small part, to the thoroughness with which each unit is inspected during the process of manufacture and assembly.

A trained staff of 800 experts is employed in this work alone, and approximately 5285 individual inspections are made on each car.

So exacting and rigid are the standards applied to these inspections that the slightest variation either in workmanship or material is instantly discovered and rejected.

Dodge Brothers are almost over-scrupulous in their constant aim 'to make each car as sound and perfect as is humanly possible.

DO you know that by tar the larger number of the common ailments of women are not surgical ones; that is they are not caused by any serious displacement, tumor, growth, or other marked change?

DO you know that these common ailments produce symptoms that are very much like those caused by the more serious surgical conditions?

DO you know that many women and young girls suffer need-lessly from such ailments? More than that, they endanger their health by allowing their ailments to continue and develop into something serious.

If treated early, that is, within a reasonable time after the first warning symptoms appear, serious conditions may often be averted. Therefore, at the first appearance of such symptoms as periodic pains, irregularities, irritability and nervousness, Lydia E. Pinkham's Vegetable Compound should be taken. It is prepared with accuracy and cleanliness from medicinal plants. It contains no narcotics nor poisonous drugs, and can be taken with perfect safety.

The Vegetable Compound acts on the conditions which bring about these symptoms in a gentle and efficient manner. The persistent use of it shows itself in the disappearance, one after another of the disagreeable symptoms. In a word, Lydia E. Pinkham's Vegetable Compound acts as a natural restorative, relieving the present distress and preventing more serious trouble.

Why not give a fair trial to this medicine
